FREMANTLE GP NETWORK

Fremantle GP Network

Fremantle GP Network is one of 119 Divisions of General Practice throughout Australia. Our aim is to promote and support you to build a healthier community. Through working with general practice and other health professional

Fremantle GP Network endeavours to raise the quality of health service delivery at a local level.

Program Excellence

Continually striving for excellence, Fremantle GP Network provides you with access to nationally recognised programs. Some of these include; FREQ

StreetDoctor, Quality Use of Medicines (QUM), Better Access to Mental Health Care Initiative, Aged Care GP Panels, and National Primary Care Collaboratives (NPCC). There are also programs tailored to cater to the needs of you and your practice; Immunisation, Practice Nursing, GP Liaison and General Practice Development.

Staff Support

Fremantle GP Network staff include registered nurses and other health professionals, through to health promotion

and business professionals. This diverse skill base ensures that staff can continually provide support for your practice as they understand the varying needs of general practice.

Professional Development & Networking

Fremantle GP Network membership provides you with the opportunity for networking, education and to get involved with your peers and your community.

The benefits of your membership include:

- ▶ Professional development opportunities, including the opportunity for CPD points allocation, with no charge to you;
- ▶ Individually tailored practice support, including management, business and clinical issues to assist you to improve your practice;

- ▶ The opportunity for peer support and networking;
- ▶ Eligible to be elected to the Board of Directors;
- ▶ A voice in the development and strategic direction of the Division via voting rights at the Annual General Meeting;
- ▶ The opportunity to be involved in committees and focus groups;
- ▶ Remuneration for representing Fremantle GP Network at conferences, as a GP Advisor, or on committees;
- ▶ Invitations to member only functions and events;
- ▶ The opportunity to have your say on primary health policy and the needs of the local area.
- ▶ Advocacy and representation at local, state and federal levels.

FREMANTLE GP NETWORK EXISTS BECAUSE OF AND FOR OUR MEMBERS, YOU ARE OUR FIRST PRIORITY.
